Documents to collect from Paycor

Please pull the items below out of Paycor and send them through the secure link we provide. Export to Excel/CSV and PDF where possible. Do this while you still have Paycor access.

- ☐ **Bank proof**
Voided check or online-banking screenshot showing the full routing number, account number, bank name, and business name (business bank account).
- ☐ **Quarterly tax filings — Q1 & Q2**
Federal Form 941 and Connecticut state filings (CT-941 state income tax; UC-2 / UC-5A state unemployment).
In Paycor: Taxes → Quarterly Tax Package / Tax Documents
- ☐ **Employee Earnings Record**
Two pulls: dated 1/1 – 6/30, and dated 1/1 – today.
In Paycor: Reports → Employee Earnings Record
- ☐ **Worker Profile report**
Employee demographic / census export (name, SSN, DOB, address, hire date, status, pay rate, W-4 / CT-W4).
In Paycor: Reports → Worker / Employee Profile (census)

Year-to-date balances — Q3 start (July 1 – Sept 30)

Why these matter

We're switching mid-year, so your year-to-date and prior-quarter balances have to carry into ADP exactly. They're what keep your W-2s and quarterly tax returns correct at year-end. "last Paycor payroll processed" below means your final Paycor pay date before going live on ADP.
